8. Nature of Services

CHEWSI® is not dental or health insurance, and **First Circle, Inc.™** is not a dental or health insurance company. It is not a plan or arrangement that enrolls members for a fee. Nor is it engaged in the practice of dentistry. **CHEWSI®** promotes and facilitates the dental office’s provision of discount dental services connecting the office with consumers interested in those services through a proprietary App that also accomplishes the electronic payment processing transaction for the services.

From the fee paid by the patient for the dentist's services, the dentist pays to **First Circle, Inc.™**, by processing retention, an Administrative And Transactional Charge for its administrative, promotional, technological, and payment processing services, and for the electronic credit card, debit card (or other approved payment mechanism) transaction and merchant banking service fees necessary to accomplish the patient's electronic payment of the dentist's fee.
